2019 : COMMUNICATIVE ENGLISH

OBJECTIVE :

The students of Dhruva Chand Halder College appear weak, when it comes to reading or writing or speaking English. Though they fare well in the written part of the University examinations, they are unable to communicate with non-Bengali speaking individuals they meet at different places. In trying to help them overcome this problem, the faculties of the Department of English designed a course that would be beneficial for the students in this regard.

SYLLABUS :

The syllabus designed for them stressed on the basic concepts of English Grammar, Construction of short and simple sentences, Pronunciation, Intonations and Diction, Dialogues and Short Speeches.

OUTCOME :

At the initial stage, students appeared shy and out of place. But, as classes progressed, they got the opportunity of brushing up their knowledge of English Grammar, becoming spontaneous in their responses and communication. At the end of the course, they appeared confident to face the challenge of communicating in English in the outside world.
