Hence these candidates have been excluded in the computation of pass percentage.
2. The figures relevant to the Pass percentage of Students appeared in the final year / semester during the academic sessions 2017-18 to 2021- 22 submitted in SSR were calculated by processing the result data obtained from our college office –excluding backlog students and PNC (part not complete) students. At that time, we could not receive any relevant report from the affiliating university.
3. Now, the program-wise and year-wise certified report from Controller of Examination of the affiliating university indicating passed and appeared students of the final year (final semester) eligible for the degree for the years 2017-18 , 2018-19 and 2019-20, 2020-21, 2021-22 (excluding backlog students) has been received; this statement has been computed on the basis of that report from the affiliating university. The said report along with the result sheets received from the affiliating university have been uploaded herewith.
